#### dialogue 1

Luke           What are you doing, Emma?  
Emma         Er... nothing special, just painting a little.  
Luke           But it looks really great!  
Emma         Oh, thank you, Luke. Well, I love painting and drawing.  
Luke           Uhh, do you? Well, I hate painting. I'm not good at it.  
Emma         What do you like doing, then?  
Luke           I'm more into sports, my favourite sport is basketball, I really love playing it! And I enjoy sailing and skateboarding, too.  
Emma         Wow, That's fantastic! I'm not very good at sports. I don't mind rollerblading, but the only thing I really enjoy is dancing.

#### dialogue 2

Kate           So Louise, how do you like your life as an exchange student here in California?  
Louise         Oh, I really enjoy staying here. You know, Kate, the people are so nice and you can do so many fun things here.  
Kate           That's right...  
Louise         I love rollerblading along Venice Beach, for example...  
Kate           Oh, me, too!  
Louise         And I like watching the street artists, they are so amazing.  
Kate           And I love listening to the street musicians, most of them are so cool.  
Louise         Yeah, right... But what I don't like here is the traffic, there are so many cars, and I hate driving here.  
Kate           Really? I don't mind driving.  
Louise         But I like my school, there are so many interesting school subjects, and the best thing is, that it doesn't start before 9 o'clock. You know, back in Switzerland, school starts at 7.30, and I hate getting up early.  
Kate           Yeah, me, too, definitely!

### dialogue 3

- Gina What's the matter with you, Dave?  
Dave Can you believe it, Gina? I have to look after my little brother this afternoon. I hate it!  
Gina Oh, really? I don't mind looking after kids. You can do lots of great things with them.  
Dave Like what?  
Gina Like playing games, watching films or going swimming. I like these things anyway.  
Dave Well, I don't mind swimming, but I don't like playing games, like Monopoly for example, what a silly game! But watching films is a good idea, I like that.  
Gina So let's watch one together. How about Ice Age?  
Dave Yeah, wonderful! Gina, you saved my day.

### dialogue 4

- Mike Hi Anna,  
Anna Hi Mike.  
Mike Did you have a nice weekend?  
Anna Oh, not really.  
Mike Why not? What happened?  
Anna I was staying with my grandfather and I didn't really enjoy it. You know, he can't hear very well, so he's always shouting at me – how I hate that!  
Mike Oh, how terrible! – I'm lucky, my grandpa is great fun, we sometimes go sailing and fishing together, I enjoy that a lot. Killing the fish is the hardest part, but I don't mind it. And of course I love eating them, they are so good!  
Anna Lucky you! – Well, I sometimes help my grandfather in the garden, I don't mind doing that. And to be honest, playing chess with him is great fun.  
Mike Oh, it's time for the first lesson, let's go.
